CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 1810

Introduced by Assembly Member Levine

February 8, 2016

An act to amend Sections 52288, 52311, 52451, ~~52452, 52453,~~ and 52486 of, and to add ~~Sections 52258.1, 52258.2, and 52453.5~~ *Section 52258.2* to, the Food and Agricultural Code, relating to seed.

LEGISLATIVE COUNSEL'S DIGEST

AB 1810, as amended, Levine. California Seed Law: exclusions: ~~seed microenterprises and noncommercial seed sharing.~~

The California Seed Law (the seed law) regulates seed sold in California, and generally requires agricultural and vegetable seed that is sold in the state to be labeled in accordance with specified provisions. Specified penalties are prescribed for violating the provisions of the seed law.

This bill would exclude from the labeling requirements of the seed law seed distributed through noncommercial seed sharing activities, and ~~would also set forth separate labeling requirements for certain agricultural and vegetable seed sold by a seed microenterprise, which would be defined as a person or farm that grows and sells up to \$5,000 annually of agricultural, flower, or vegetable seed.~~ The bill would revise applicable penalty provisions to exclude the collection, storage, or distribution of agricultural, flower, or vegetable seed for noncommercial purposes. The bill would also define the term “sell” for purposes of the

seed law, and would state that the Legislature declares that the seed law is not intended to regulate noncommercial seed sharing, as specified.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 ~~SECTION 1. Section 52258.1 is added to the Food and~~
2 ~~Agricultural Code, to read:~~

3 ~~52258.1. “Seed microenterprise” means any person or farm~~
4 ~~that grows and sells within this state up to five thousand dollars~~
5 ~~(\$5,000) annually of agricultural, flower, or vegetable seed.~~

6 ~~SEC. 2.~~

7 ~~SECTION 1.~~ Section 52258.2 is added to the Food and
8 Agricultural Code, to read:

9 52258.2. “Sell” includes to offer, expose, or possess for sale,
10 and to commercially exchange, barter, or trade.

11 ~~SEC. 3.~~

12 ~~SEC. 2.~~ Section 52288 of the Food and Agricultural Code is
13 amended to read:

14 52288. The Legislature hereby declares that it is the intent of
15 this chapter to enable the seed industry, with the aid of the state,
16 to ensure that seed purchased by the consumer-buyer is properly
17 identified and of the quality and amount represented on the tag or
18 label. The Legislature further declares that the success of
19 agriculture and the seed industry in this state depends upon the
20 continued commitment to industry-funded research in order to
21 improve the quality and variety of seed available to the
22 consumer-buyer. The Legislature further declares that this chapter
23 is not intended to regulate noncommercial seed sharing, including
24 through seed libraries, seed exchanges, or other informal and formal
25 noncommercial seed sharing activities.

26 ~~SEC. 4.~~

27 ~~SEC. 3.~~ Section 52311 of the Food and Agricultural Code is
28 amended to read:

29 52311. A person is not subject to the penalties that are
30 prescribed by this chapter in any of the following cases:

31 (a) For selling in this state any agricultural or vegetable seed
32 that is incorrectly labeled or represented as to kind, variety, or
33 type, which cannot be identified by examination of it, unless the

1 person has failed to obtain an invoice or grower's declaration that
2 gives the commonly accepted name of the kind, kind and variety,
3 or kind and type, and to take other precautions as may be necessary
4 to insure the identity to be that which is stated.

5 (b) As to any matter that is required by Article 8 (commencing
6 with Section 52451), for selling the seed in original unopened
7 sealed packages that are fully labeled by another dealer, unless the
8 person has failed to have the seed retested and relabeled as to the
9 percentage of germination within the period that is prescribed by
10 Section 52481, or unless the person has failed to correct the label
11 after notice that the label has been found to be incorrect.

12 (c) For shipping, delivering, transporting, or selling within this
13 state any agricultural or vegetable seed that has a false labeling as
14 to percentage of germination or hard seeds, unless the person has
15 first been given an opportunity by the secretary to be heard. This
16 exemption does not, however, relieve any person from the
17 obligation, upon order of an enforcement official, to stop further
18 sale of any seed that is found to be incorrectly labeled as to
19 germination, nor does it exempt such seed from seizure pursuant
20 to this chapter.

21 (d) For collecting, storing, or distributing in this state any labeled
22 or unlabeled agricultural, flower, or vegetable seed for
23 noncommercial purposes.

24 ~~SEC. 5.~~
